"We've doubled our volume since upgrading to Blackmer pumps, but our electric bill has stayed the same, even with the increase in rates. That's a tribute to Blackmer pumps and their efficiency."

Glenn Gibisch

*Executive Vice President and COO
for the 3 Rivers Terminal
Seeler Industries, Joliet, IL*

**Blackmer® Sliding Vane Pumps
are energy-efficient by design
and also offer improved:**

- Operational efficiencies
- Product loss prevention
- Reliability
- Through-put and uptime
- Environmental protection
- Energy savings
